UNITED CHURCH OF CHRIST

May 11 -

Hello good friends! We are now in the North woods of Wisconsin and it is cold? winter! It snowed yesterday. We will soon be finished with our visiting of churches and can then spend June enjoying our daughters + families. We fly to the P.I July 1st. no doubt you are having fun with your boat these days! Tell your mother Lue had no pecan buns like hers! Ever - Gladys Eymann
